

Invites you to a Private Lunch with James O'Keefe

James O'Keefe is the president of Project Veritas, a non-profit organization dedicated to training citizen journalists nationwide. James' investigations expose corruption and malfeasance in major taxpayer-funded institutions, including ACORN, Planned Parenthood, NJEA, NPR and Medicaid. James is most well-known for his 2009 ACORN investigation, which exposed systematic corruption in multiple offices, such as the facilitation of child prostitution, human trafficking and tax evasion. Due to his investigations, the U.S. House and Senate promptly voted to defund ACORN and the U.S. Census cut ties with the group.
